

The majority of locks on waterways in the London region are self-operated using a windlass; some are also fitted with security locking devices and a few locks are electronically operated, for which a BW key is needed. Windlasses and keys can be bought from most British Waterways offices.

AND LONDON DOCKLANDS

LONDON'S TIDAL LOCKS

The canal network in London has three gateways to the River Thames - at Limehouse, Brentford and Bow. This leaflet contains information on lock availability for boaters wishing to use tidal locks at these three locations or access the West India Dock Entrance Lock in the Isle of Dogs. It provides tide times which will help boaters plan safe passage, as well as listing telephone numbers for lock booking or further enquiries.

The tidal locks at Bow, West India Dock, Limehouse and Brentford can only be passed when British Waterways staff are in attendance. Lock availability times are listed in this leaflet.

ESSENTIAL BOOKING INFORMATION FOR TIDAL LOCK USERS

All boaters are requested to contact the appropriate lock office to give at least 24 hours advance notice of their journey. Bookings can be made seven days a week between 8am and 4pm. If leaving a message please leave the date and time of your call, a contact name, the boat's name and a telephone number we can contact you on. Please also state which lock you would like to use, the direction in which you will be travelling and date and time locking is required.

All bookings must be confirmed with lock office staff who will also be able to advise boaters on local conditions that might affect their journey.

Christmas and New Year opening:

Bow, Thames and Limehouse Locks will be closed on 25 December. All bookings for 24 December - 1 January inclusive must be made by 18 December. West India Dock will be closed 24 - 26 December inclusive and 1 January 2009. All bookings for West India Dock between 24 December and 1 January must be made by 16 December.
