 It is the boaters responsibility to ensure that pets are restrained inside their boats.

Full tunnel passage is unsuitable and therefore not available for people with physical disabilities which would prevent them from disembarking the passenger tug unaided, as there is a ladder which needs to be climbed. A taxi can be booked for those who are unable to go through the tunnel.
****Please speak to tunnel staff upon arrival and one will be called for you.**

How many passengers require passage through the tunnel?
