\*Enquiries about moorings in **Docklands** should be made to our Docklands Office at: British Waterways London, West India Dock Pierhead, 420 Manchester Road, London E14 9ST T. 020 7517 5550 F. 020 7538 5537

Residential moorings are home moorings that have planning consent for long-term residential use and meet the relevant local authority requirements for water supply, rubbish disposal, parking spaces etc. They are operated by BW or private companies. There are generally waiting lists for these sites.

Continuous cruising means that you move around the waterway network, not staying in the same place for more than 14 days. In some cases, particularly at popular locations, you may find that there are time limits of 24 hours or 48 hours.

Prices correct at time of print, but may be subject to change.
